

SPARC® Enterprise T2000 Server Getting Started Guide

This guide provides basic information about your server and explains where to find information to get your server up and running quickly.

The following topics are covered:

- Important Information about SPARC Enterprise servers
- SPARC Enterprise T2000 Server Documentation
- Front and Rear Panel Identification

For detailed information, refer to the SPARC Enterprise T2000 Server documentation.

Important Information about SPARC Enterprise servers

Before you deploy your server, check for possible updates to this product. This information is described in "SPARC Enterprise T2000 Server Product Notes" (C120-E374), posted at the Fujitsu documentation website.

For the important information about installation, visit the following websites:

Global Site

<http://www.fujitsu.com/sparcenterprise/manual/notes/>

North American Site

<https://download.computers.us.fujitsu.com/>

Japanese Site
